Thank you.

Your testimony will be made part of the administrative record for the Boston Logan Airport Noise Study. I do not have any questions at this time, but will certainly contact you in the future if I do. The FAA will continue to update Representative Robert DeLeo's office throughout Phase 2 of the study. We appreciate your attendance at Friday's meeting and your interest in the study.

Sincerely,  
Terry

Subject FW: Logan Airport Noise Study

Hello Ms. English,

I attended the Boston Logan Airport Noise Study this morning at the Volpe Center. I tried to submit written testimony on behalf of Representative Robert DeLeo but I was informed that I should send it via email or standard mail. I have attached the letter on his behalf. Please let me know if you have any questions. Thank you!
