

Community Advisory Committee
Noise Concern Survey Results

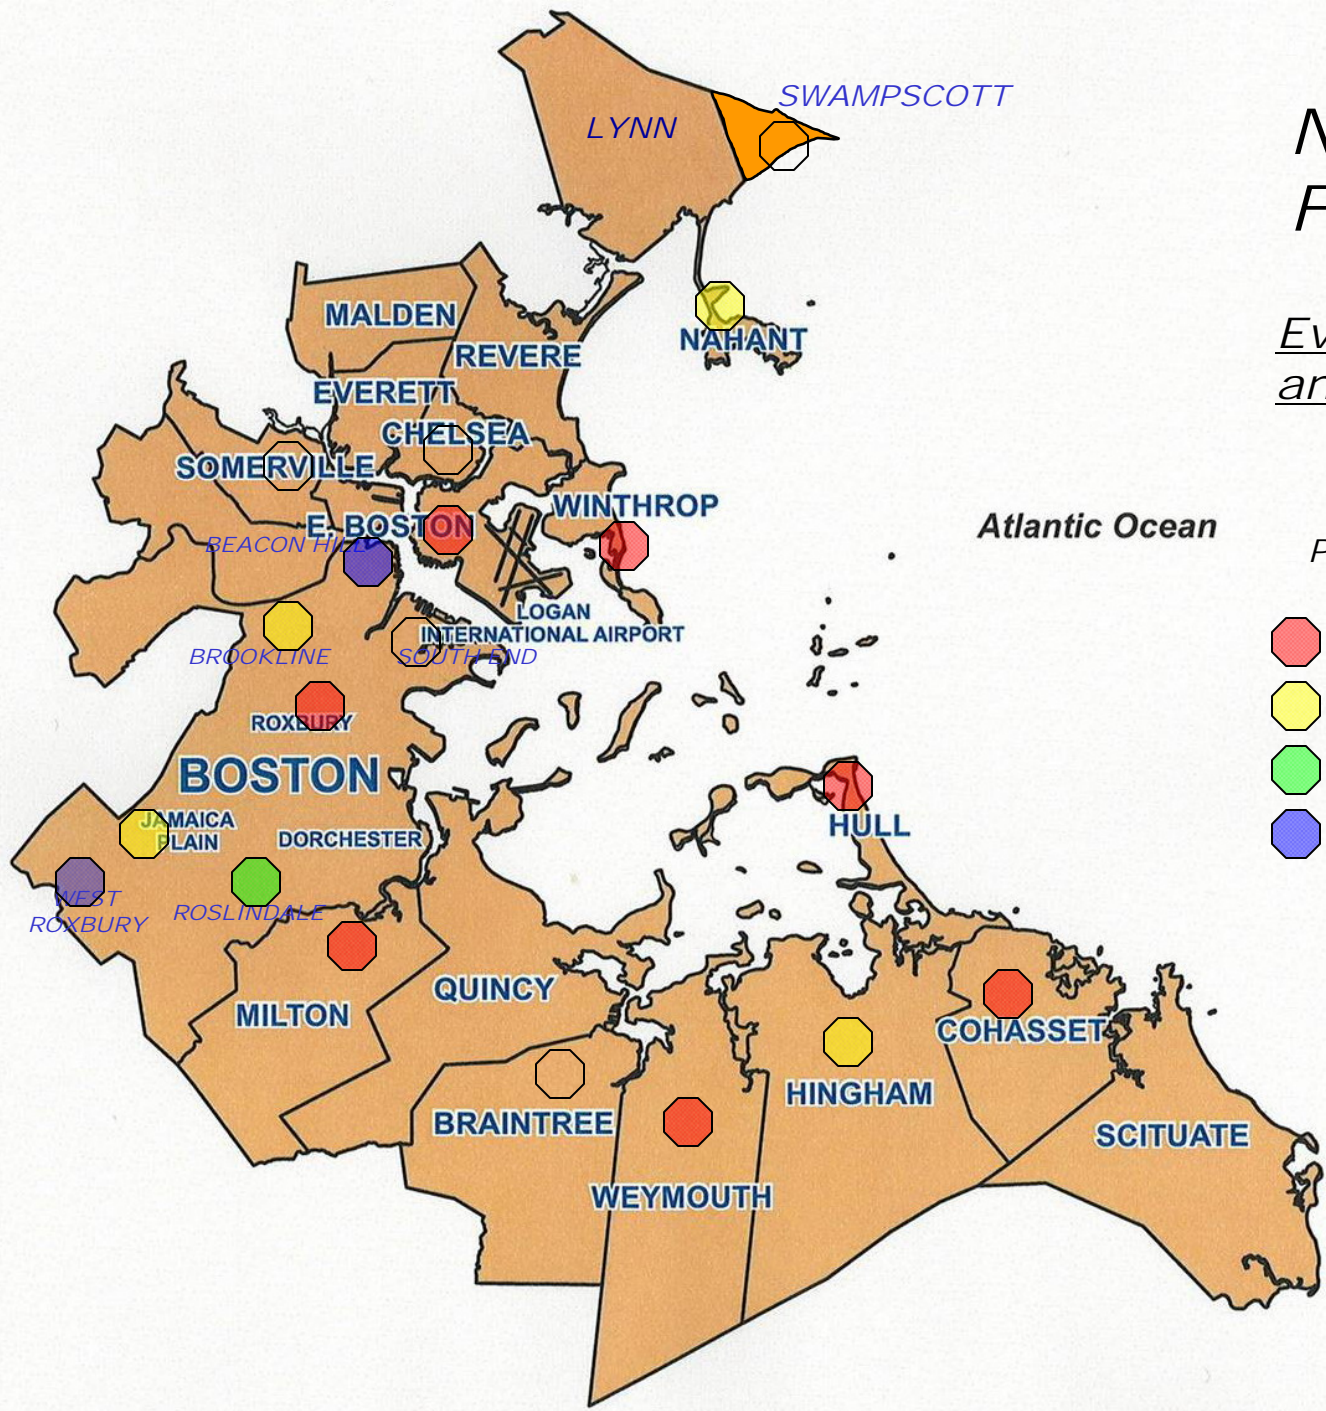

Independent Consultant Team
Landrum & Brown
March 24, 2005

Participants asked to rank noise concerns statements, by priority, for the communities they represent

- *We don't seem to get any relief from aircraft noise in my community*
- *Landings are too loud over my community*
- *Takeoffs are too loud over my community*
- *There are too many landings over my community*
- *There are too many takeoffs over my community*
- *My community is frequently awakened by nighttime aircraft noise*
- *Aircraft noise/overflights frequently interrupt conversations/television/phone calls in my community*
- *Aircraft noise/overflights frequently disrupt enjoyment of outdoor activities in my community*
- *Aircraft noise/overflights frequently disrupt school classrooms in my community*
- *Aircraft overflights are too close to my community*
- *Aircraft overflights are too low over my community*
- *Other concerns*

No Relief From Noise
